

Item 08-00001

**“Careers in Biomedical Research”**

Individuals considering careers in biomedical research will want to review this brochure. It describes the various career paths within the field; from research scientists to technicians to professionals involved in animal transportation and housing.

**Kids 4 Research Punch Out Cards**-These brightly colored activity sheets are perfect for elementary and junior high students (adults also love them).

Item 08-00004 - Kids 4 Research Mouse Punch-Out Card

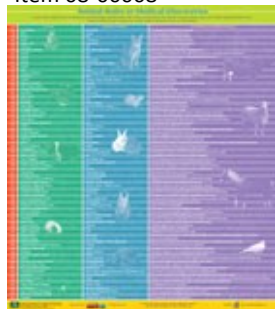

Item 08-00025 - Kids 4 Research Frog Punch-Out Card

Item 08-00008

**Animal Roles in Medical Discoveries**

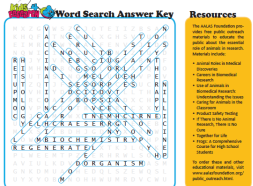

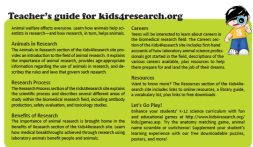

This poster lists the Nobel Prizes for Medicine and Physiology awarded since 1901 and shows the role animals have played in these important discoveries. A wonderful display in any research facility.

Item 08-00027  
Student Edition

**Kids 4 Research/Whyville Flyer:**

These flyers highlight the education resources available on the Kids4Research.org website and the Whyville Community Animal Research Environment. Ideal for students and teachers these flyers feature a word search and describe how Kids4Research.org is a key source for age-appropriate information on the care and use of animals in research.

Item 08-00040 - Teacher Edition

**Consumer Product Safety Posters:** These colorful 11" x 17" poster point out that federal agencies require safety screening for consumer products to ensure that it is safe for humans and pets when used as directed.

08-00028 Bath Time

08-00029 Pet Health

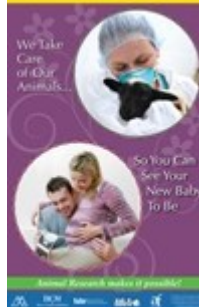

08-00032 Sunscreen

**Biomedical Progress Poster Series:** Animal research helps make medical advances possible. These 11"x17" posters illustrate the vital role laboratory animal science professionals play in providing compassionate care for animals.

08-00034 Fetal Ultrasound

08-00035 Asthma

08-00036 Diagnosing Disease

08-00037 Joint Health

08-00038 Vaccines

08-00039 Serving Their Country
